September 2010 report;

Here we are another cruising season coming to an end for most of us.

I attended the Sept 13th PMD meeting;

We had a lengthy discussion regarding PMD stock pile. PMD is looking for options to continue or not continue. We are financially sound so if we had to order our own supplies and hold them it would not be a disaster, but some squadrons are not in this position. This will be on the agenda each meeting until we come to a resolve.

We had a major discussion on associate members that is coming before the committee at the AGM in October. PMD has called a special meeting on Oct 18 to further discuss this. That falls on our scheduled meeting night so I will make alternate arrangements for myself at this meeting.

CPS AGM is October 20 to October 23rd. There is a preliminary agenda in September's Canadian yachting. All members are welcome to attend.

Fraser Squadron

I would like to thank Rose for all her hard work organizing the cruises and Jan and Les for taking the Montague cruise and also all that did attend the cruises, we put these on for the Fraser Squadron members enjoyment. Our turn out for Telegraph weekend was only 2 boats, so that tells us something, we need to critique our cruises and ask for feedback from our members as to what they would like. I will have this subject discussed at our regular bridge meetings throughout this season so that we can give our cruise master direction for the next coming season.

Now that our cruising is coming to an end can you forward any great pictures that you took out on the water for our photo library?

At our last bridge meeting I asked if everyone on the bridge had a name tag. Can those that do not let me know and we will have one made for you.

October 2nd is our anchors away get together at Tsawwassen Golf and Country club.

Respectfully Submitted

Accomplishments:

- The Ladner Boating class began on Thursday, September 9. We currently have 11 students registered. Don Guggisberg, Rick Easthom and Bob Juulsen are currently sharing the instruction of this course. Proctors are Bob Juulsen, Rick Easthom, Nan Lockie and John Elsoff.
- We currently have 8 students interested in the Richmond class, 2 of whom have registered online.
- We have entered the student names on to the WBAS system, and provided the instructors with the class list.
- Thanks to Les and Jan Muller for taking care of the advertising. Information for the course was also put on the Read-o-graph signs in the three areas of Delta. The course was posted to CraigsList and an email was sent to the Membership advising them of this course (as well as the one to begin on Sept. 28 at the Richmond Yacht Club).
- Thanks to Bill Hawryluk for securing and delivering the course materials.
- We will be planning a fall VHF course.
